

The poster has a warm orange background with a subtle pattern of diagonal lines. At the top left, a black spiderweb is partially visible with a small black spider hanging from it. In the center, a large orange pumpkin is carved into a bat shape. To its left and right are two smaller orange pumpkins, each with a simple black face. Three black bat silhouettes are scattered across the middle section. At the bottom, there is a black silhouette of grass. The title 'TEKVIČKOVÁ PÁRTY' is written in large, bold, black letters, with 'PÁRTY' in a slightly different, more rounded font.
